

# There's a **NEW Heating Pipe** in town!

## Introducing PEOC-Plus PE-RT (Dowlex™ 2344)

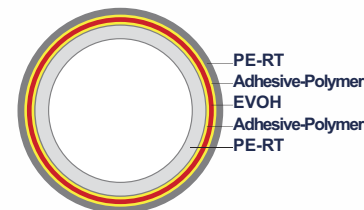

Pipes made of DOWLEX™ PE-RT resins have been manufactured in the Global Market for over 15 years, and our supplier was the Alpha site for the development of the PEOC-Plus PE-RT pipes.

## What is it?

High Temperature resistant PE-RT pipe

## Our advantages:

- Very flexible, formable and pliable
- Five Ply tubing, Oxygen barrier protected with exterior sheathing of Polyethylene, suitable for direct burial.
- Excellent UV stability due to 5-layer design with colored outer layer.
- Excellent temperature & pressure characteristics
- Weldable, can be fused with an electric plastic welding machine
- Less shrinkage
- Economical
- An Innovation of Dow Chemical 
- **Recyclable** 
- PE RT conforms to ASTM F-2623
