

There's a **New Heating Pipe** in town!

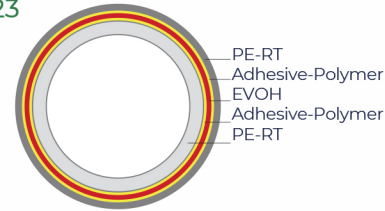

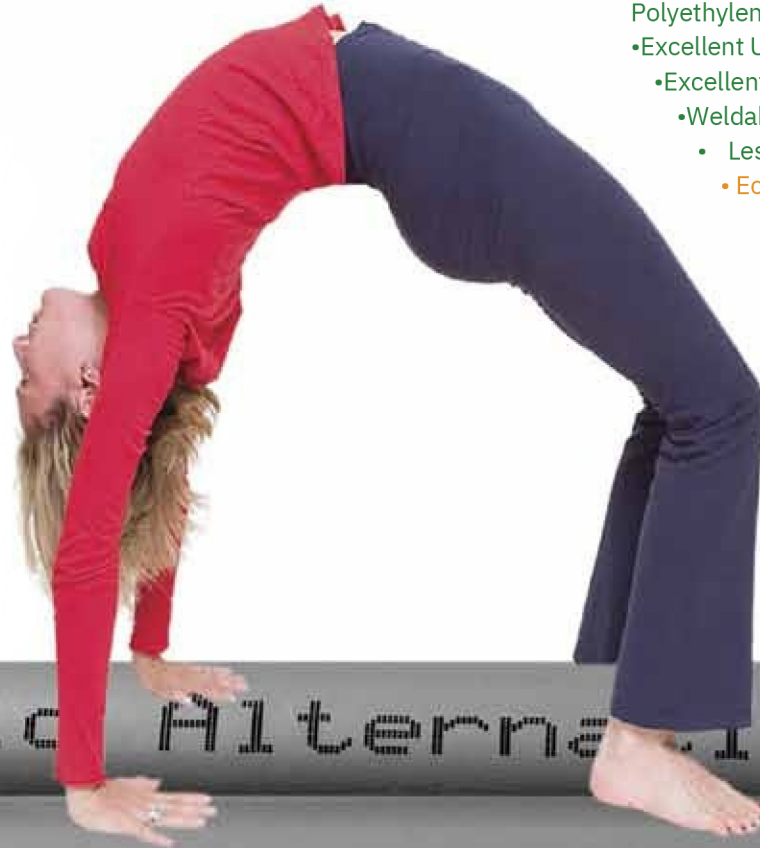

Introducing PEOC-Plus PE-RT

Pipes made of PE-RT resins have been manufactured in the Global Market for over 25 years, and our supplier was the Alpha site for the development of the PEOC-Plus PE-RT pipes.

What is it? High Temperature resistant PE-RT pipe

Our advantages:

- Very flexible, formable and pliable
- Five Ply tubing, Oxygen barrier protected with exterior sheathing of Polyethylene, suitable for direct burial.
- Excellent UV stability due to 5-layer design with colored outer layer.
- Excellent temperature & pressure characteristics
- Weldable, can be fused with an electric plastic welding machine
 - Less shrinkage
 - Economical
 - Recyclable 
 - PE RT conforms to ASTM F-2623

Hydronic Alternatives 3/4" PEOC-PLUS

PEOC-PLUS PE-RT 5-layered heating pipe with oxygen barrier

180deg.F Made in Germany 009x3' No.301190105

This is not **Pex** pipe, it is the **Next Pipe.**
