Freight charges will be determined on an individual basis and may include charges for special packaiging as necessary

Returned Merchandise

No returned goods will be accepted for credit without prior authorization (RGA) from Hydronic Alternatives, Inc
Re-Stocking, freight of handling charges may be assessed. The Following conditions will also prevail:

1. Goods considered for return must be in the current line of the manufacturers products.
2. Only normally stocked radiators and items can be returned and will be subjected to a minimum 25% re-stocking charge
3. Custom orders and custom sizes and colors will not be accepted for return
4. Any radiators accepted for return must be un-installed and in original new condition, packaeged in the original factory cartons
5. Radiators accepted for return must be sent to Hydronic Alternatives freight pre-paid

Attention: Radiators may only be returned with prior written RGA authorization from Hydronic Alternatives. Please do not return radiators before receiving authorization

Claims

Upon receipt of goods, any claims, discrepancies or shortages must be brought to our attention immediately, within five (5) days of receiving the order, as we will not be held responsible for damages to material or consequential labor charges after receipt of goods. All claims for damages will be subject to inspection. If your order arrives damaged, please sign the bill of lading as DAMAGED.

Special Orders

Orders for non-stock items must be in writing and include a Purchase Order number

Special orders are accepted on a non-cancelable basis only

Please be sure of the model, size, color and connection of any special order item before ordering

Warranty

The manufacturer offers a 5 year guarantee against leakage and on the finish of it's radiators or convectors provided that they are installed in normal conditions and that they are connected to a hydronic heating system. In the case where the hydronic heating system uses other than metal piping or tubing, the tubing used must meet the DIN standard 4726 for oxygen diffusion. In the case of defects-to the level of raw materials or manufacturing-that are recognized by the manufacturers, the former has the right to the repair or replacement and will not be committed to the expense of labor, transportation, or displacement. The alleged defective article must be returned prepaid to our Springfield MA warehouse. The manufacturer is indemnified against the damage to other's goods or consequential damages as the result of the failure of one of it's products. The replacement or reapiir of goods detached during the period of guarantee does not prolong the guarantee period. The manufacturer reserves the right to modify the specifications of its products without notice.

Colors

A list of standard color White (RAL 9016) radiators are stocked at our Springfield, MA warehouse. (For current inventory, please contact our office.) "Other Colors" as indicated in the color chart, are available by special order only at the prices listed herein. Any stock radiator or towel warmer can be painted and ordered with an RAL color # shown on our color wheels. Painted stock radiators have a lead time of 2-3 weeks. Special orders and non-stock items will take approximately 10-12 weeks for delivery from the factory in Europe to our warehouse in Springfield, MA. Please contact your local representative or our office for pricing.
